

How to Play Doompocalypse: Tutorial on Core Mechanics

Welcome to **Doompocalypse**, a thrilling open-world survival game where strategy and skill determine your fate. This guide will walk you through the core mechanics for the ALPHA demo: combat, the marketplace, and match structure. Let's dive in!

1. Combat Mechanics

Understanding Combat

- Engage in fast-paced combat during 5-minute matches.
- Use weapons and items found throughout the map to outlast your opponents.
- Earn money by eliminating NPCs and other players.

Weapons and Strategy

- Pick up weapons and supplies scattered across the map.
 - Use terrain and quick reflexes to outmaneuver enemies.
 - Work alone or team up temporarily to take down stronger opponents.
-

2. Marketplace Mechanics8th

In-Game Economy

- **F8TH** is the in-game currency used for all transactions.
- Earn F8TH by killing NPCs and other players, as well as collecting items during gameplay.

Buying and Selling

- **NPC Shops:** Purchase weapons, ammo, and health packs during matches at designated locations.
 - Plan your spending wisely to maximize your survival chances.
-

3. Match Structure

5-Minute Matches

- Matches are short and intense, lasting exactly 5 minutes.
 - The goal is to survive and earn as much money as possible by eliminating NPCs and other players.
 - Players with the highest earnings at the end of the match win rewards.
-

4. Overthrowing Governments

How It Works

- Players can still overthrow governments in the ALPHA demo.
 - Overthrowing requires collaboration with other players and strategic planning.
 - Successfully overthrowing a government resets control and may grant bonuses to the participants.
-

Tips for Success

1. **Stay on the Move:** Keep exploring to find better weapons and supplies.
 2. **Spend Wisely:** Use NPC shops strategically to stock up on essential items.
 3. **Be Strategic:** Use the environment to your advantage and avoid unnecessary fights.
 4. **Time Management:** Keep an eye on the clock and plan your moves accordingly.
 5. **Target Smartly:** Focus on NPCs and weaker players to quickly build your earnings.
